

GENGHIS STOCKBROKERAGE SERVICES

The Kenyan capital markets continue to develop in size, scope and sophistication. With this comes increasing demand for specialized and personalized brokerage service. We offer pioneering relationship brokerage where our focus remains on the relationship between broker and client.

Under this function we offer securities trading in;

- NSE-listed equities,
- Fixed income instruments (T-Bill, Bonds)
- Over-the-Counter (OTC) trading

Our stockbrokerage services is complimented by in-house research that provides deep, extensive and actionable reports that capture both global and regional macro-economic insights, sector insights, in addition to company specific concepts.

For ease of opening a CDSC account, trading on the NSE, and viewing your portfolio, Genghis has developed the G-Kuze app, available on Android.
